Health Club Update

We are almost ready to open our doors, the team have been busy putting all the necessary safety measures in place ready for your arrival. We would like to update all our members about the changes that will be in place when we reopen.

We will be operating with reduced opening hours for the time being and will be open Monday - Friday from 7am until 8pm and from 8am until 4pm on Saturdays & Sundays.

To ensure we are complying with the government guidelines, we do have to restrict the amount of members in the Health Club at any one time. We will be operating a 'One in, One out' system. Upon arrival, all members will be required to sanitise their hands and must have their temperature taken before entry.

There are safety measures in place throughout the Health Club and we ask members to ensure the 1m+ social distancing rule is adhered to at all times during their visit.

The swimming pool and changing rooms will be open but we are unable to reopen the Jacuzzi, steam room and sauna at this time. These facilities will reopen as soon as the government deem it safe to do so.

WE ARE ALSO VERY EXCITED TO ANNOUNCE THAT DURING LOCKDOWN, WE HAVE INSTALLED A BRAND NEW AIR CONDITIONING & VENTILATION SYSTEM TO HELP IMPROVE THE AIR FLOW AROUND THE GYM & KEEP YOU COOL DURING YOUR TRAINING!

We will also be operating with a new, reduced class timetable starting on Monday 3rd August.

We look forward to welcoming you back very soon!
