## HEALTH PLEDGE

The Wrightington Hotel is dedicated to maintaining a safe environment. We are taking every opportunity to ensure you can continue to enjoy the facilities we offer, we have carefully considered what we can reasonably expect from each other during these difficult times.

### YOUR PLEDGE TO US:

- You must refrain from visiting the hotel should you develop any signs of Covid-19; this includes a persistent cough or a high temperature.
- You must refrain from visiting if you or someone you have been in contact with has tested positive. Also if you have experienced any signs or symptoms relating to Covid-19 in the last 14 days.
- You will inform a member of staff should you start to feel unwell during your stay.
- You will respect the social distancing rules of maintaining a safe distance of 2 meters within the hotel and respect other guests including staff at all times.
- You will respect the hygiene principles we have implemented throughout the Facility.

### OUR PLEDGE TO YOU:

- We shall endeavor to maintain a high standard of hygiene and keep a safe environment for you at all times.
- We shall at all times monitor the social distancing rules of 2 meters that we have applied to ensure your safety is paramount when using our facilities.
- We shall endeavor to ensure that our staff on duty are available to deliver high standard of hygiene principles at all times.
- We will take all reasonable steps to ensure our teams are trained in operating safe social distancing procedures throughout, we will continue to operate high standards of hygiene at all times.
- When using the facility we ask that you respect other guests in these areas and continue to abide by the social distancing rules at all times.

**TOGETHER WE CAN DO THIS**
